The CEFAGE-UE Working Paper series is intended to disseminate ongoing research by members, collaborators and outside researchers.

Proposals should resemble articles in standard academic journals (in terms of quality, length and format), must be written in English and include an abstract of no more than 250 words, a list of up to 5 keywords and JEL classification codes.

Publication of a working paper is preceded by revision by a CEFAGE-UE member, who is expected to provide an opinion within 15 days. Papers requiring extensive linguistic editing will not be accepted for review.

Minor linguistic corrections (as well as required revisions) suggested by the reviewer must be implemented by the author(s), who may also be asked to format the final version according to instructions provided by CEFAGE-UE’s secretary in charge of publication.

Working papers are published in CEFAGE-UE’s home page and are indexed in RePEc (http://repec.org/).

Submission are directed to the series’ editor, Mário Franco: mfranco@ubi.pt.
